CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sir or Madam,

**PROPOSALS FOR RE-ELECTION OF RETIRING DIRECTORS,
GENERAL MANDATES
TO ISSUE NEW SHARES AND TO REPURCHASE SHARES,
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you regarding the resolutions to be proposed at the AGM ordinary resolutions for, inter alia, (i) the re-election of the retiring Directors; and (ii) granting to the Directors the Issue Mandate and the Repurchase Mandate.

LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

Pursuant to the Articles, (i) Mr. Chan Siu Chung will retire at the AGM and, being eligible, offer himself for re-election as an executive Director; and (ii) Ms. Yu Wan Ki (“**Ms. Yu**”) will retire at the AGM and, being eligible, offer herself for re-election as an independent non-executive Director. Biographical details of the retiring Directors proposed to be re-elected at the AGM are set out in Appendix I of this circular.

In reviewing the structure of the Board, the nomination committee of the Company will consider the structure, size and diversity (including gender, age, cultural and educational background, length of service, skills, knowledge and experience etc.) of the Board at least annually and make recommendations on any proposed changes to the Board to complement the Company’s corporate strategy. All appointments to the Board are based on meritocracy and the candidates will be assessed based on criteria such as education background and relevant skills and experience for consideration of the operation of the Board as a whole, with a view to maintaining a sound balance of the Board’s composition.

Ms. Yu, an independent non-executive Director proposed to be re-elected at the AGM, has over 13 years of experience in different industries including IT consulting and international export and has been acting as an independent non-executive Director since 2019. Ms. Yu has satisfied all the criteria for independence set out in Rule 5.09 of the GEM Listing Rules and provided annual confirmation of independence to the Company. Therefore, she has been considered by the nomination committee of the Company to be independent. The Board is of the view that Ms. Yu has been committed to devoting time and attention to perform her duties as an independent non-executive Director over the years. She has demonstrated that she has the required character, integrity and experience to perform her duties by providing objective views and independent guidance to the Board and the Board is of the view that her wide breadth of professional experience and knowledge in her field has been and will continue to contribute greatly to the diversity of the Board. Upon the recommendation and nomination of the nomination committee of the Company, the Board has recommended Ms. Yu to stand for re-election as independent non-executive Director.

ISSUE MANDATE AND REPURCHASE MANDATE

At the AGM, separate ordinary resolutions will be proposed to seek the approval of the Shareholders to grant to the Directors general and unconditional mandates to:

- (a) allot, issue and otherwise deal with additional Shares (and securities convertible into Shares) representing up to a maximum of 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution and authorising the addition to the mandate to allot, issue and deal with further Shares to include the aggregate nominal amount of such Shares (if any) repurchased by the Company pursuant to the Repurchase Mandate referred to in paragraph (b) below; and

LETTER FROM THE BOARD

- (b) repurchase Shares up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution.

The Issue Mandate and the Repurchase Mandate will end on the earliest of:

- (i) the conclusion of the next annual general meeting of the Company; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; or
- (iii) the revocation or variation of the relevant resolution by an ordinary resolution of the Shareholders in general meeting.

As at the Latest Practicable Date, the issued share capital of the Company comprised 80,000,000 Shares. On the basis that no further Shares will be issued or repurchased following the Latest Practicable Date and prior to the date of the AGM, the Company will be allowed to issue a maximum of 16,000,000 Shares under the Issue Mandate and to repurchase a maximum of 8,000,000 Shares under the Repurchase Mandate, representing not more than 20% and 10% of the issued share capital of the Company respectively as at the date of passing of such resolutions.

An explanatory statement in relation to the Repurchase Mandate is set out in Appendix II to this circular containing the particulars required by the GEM Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the Repurchase Mandate.

AGM

The notice convening the AGM is set out on pages 14 to 18 of this circular. A form of proxy for use at the AGM is enclosed. Whether or not you are able to attend the AGM, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon and deposit it with the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited, at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding of the AGM or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman of the meeting, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, each of the resolutions set out in the notice of the AGM will be put to the vote by way of a poll.

LETTER FROM THE BOARD

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

GENERAL

The English text of this circular shall prevail over the Chinese text.

RESPONSIBILITY STATEMENT

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement contained herein or this circular misleading.

RECOMMENDATION

The Directors therefore recommend the Shareholders to vote in favour of each of the resolutions set out in the notice of the AGM.

Also, Mr. Chan held 800,000 share options of the Company directly. Save as disclosed above, Mr. Chan does not have any interests in shares of the Company within the meaning of Part XV of the SFO. He does not have any relationships with any directors, senior management or substantial or controlling shareholder of the Company for the purpose of the GEM Listing Rules.

APPENDIX I BIOGRAPHICAL DETAILS OF RETIRING DIRECTORS

Ms. Yu Wan Ki

Ms. Yu Wan Ki, aged 37, joined the Group as the independent non-executive director on 24 May 2019. She obtained a Bachelor Degree of Mass Communication in Journalism and Public Relations from Curtin University of Technology, Western Australia. She is currently a managing director of a company engaging in IT consulting.

Save as disclosed above, Ms. Yu has not held any directorship in the last three years in public companies the securities of which are listed on any securities market in Hong Kong or overseas.

As at the Latest Practicable Date, Ms. Yu does not have any interests in shares of the Company within the meaning of Part XV of the SFO. She does not have any relationships with any directors, senior management or substantial or controlling shareholder of the Company for the purpose of the GEM Listing Rules.

Saved as disclosed herein, in relation to the re-election of the above-mentioned retiring Directors, the Board is not aware of any information that ought to be disclosed pursuant to the requirements under Rule 17.50(2)(h) to (v) of the GEM Listing Rules, nor are there any other matters that ought to be brought to the attention of the Shareholders.

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide information to you with regard to the Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities (which shall include, where the context permits, shares of all classes and securities which carry a right to subscribe or purchase shares) on the Stock Exchange subject to certain restrictions amongst which the GEM Listing Rules provide that the shares proposed to be repurchased by a company must be fully paid-up and all repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution of shareholders either by way of general mandate to the directors to make such repurchases or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 80,000,000 Shares. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no Shares are allotted and issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 8,000,000 Shares, representing 10% of the issued share capital of the Company as at the date of passing the proposed resolution on the Repurchase Mandate.

3. REASONS FOR THE REPURCHASE

The Directors believe that the ability to repurchase Shares is in the best interests of the Company and the Shareholders as a whole. Repurchases may, depending on the market conditions and funding arrangements of the Company at the time, result in an increase in net asset value and/or earnings per Share. The Directors are seeking a general mandate to repurchase Shares so as to give the Company flexibility to do so if and when appropriate. The number(s) of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, a repurchase would be effected where the resulting reduction in the issued capital of the Company was considered beneficial. The Directors believe that an ability to repurchase Shares gives the Company additional flexibility that would be beneficial. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the interest of the Company because they consider the Shares can be purchased on favourable terms.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2025, being the date of its latest published audited financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months immediately prior to the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2024		
August	0.157	0.138
September	0.150	0.120
October	0.185	0.135
November	0.169	0.147
December	0.160	0.137
2025		
January	0.167	0.150
February	0.175	0.150
March	0.400	0.150
April	0.275	0.235
May	0.275	0.260
June	0.260	0.250
July (up to the Latest Practicable Date)	0.380	0.215

6. DIRECTORS' INTERESTS

To the best of the knowledge of the Directors having made all reasonable enquiries, there are no Directors or close associates of the Directors who have a present intention, in the event that the Repurchase Mandate is granted by the Shareholders, to sell any of the Shares to the Company.

7. TAKEOVERS CODE AND THE PUBLIC FLOAT REQUIREMENT

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

APPENDIX II EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by the Directors, the following persons were directly or indirectly interested in 10% or more of the number of the issued shares that carry a right to vote in all circumstances at general meetings of the Company:

Name	Number of issued Shares held/interested	Approximate percentage of shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercise in full
Acropolis Limited (<i>Note</i>)	10,600,000	13.25%	14.72%
Mr. Chan Siu Chung (<i>Note</i>)	11,400,000	14.25%	15.83%

Note: Mr. Chan Siu Chung held 10,600,000 Shares through Acropolis Limited in which Mr. Chan Siu Chung is the sole director and shareholder. Also, Mr. Chan Siu Chung held 800,000 shares options of the Company directly.

On the basis that the issued share capital of the Company remains unchanged up to date of the AGM, in the event that the Repurchase Mandate is exercised in full, the increase in shareholding of the above shareholders would not give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of any of the above shareholder(s) or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate in full.

8. CORE CONNECTED PERSONS

No core connected persons of the Company have notified the Company that they have a present intention to sell any of the Shares to the Company and no such persons have undertaken not to sell any of the Shares held by them to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

9. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the applicable laws of Cayman Islands and the regulations set out in the memorandum of association and Articles of the Company.

10. SECURITIES REPURCHASES MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company had not repurchased any of the Company's listed securities (whether on the Stock Exchange or otherwise).

In the event that the Company repurchases any Shares, the Company may cancel such repurchased Shares and/or hold them as Treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of such repurchase.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall, upon approval by the Board, implement the below interim measures which include (without limitation):

- (i) procuring its broker not to give any instructions to HKSCC to vote at general meetings for the Treasury Shares deposited with CCASS;
- (ii) in the case of dividends or distributions (if any and where applicable), withdrawing the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the relevant record date for the dividend or distributions; and
- (iii) taking any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.
